## Massive Open Online Course in Plant Biosecurity (1<sup>st</sup> April - 30<sup>th</sup> June, 2024)

### Information Brochure

#### About the course:

Plant Biosecurity is of paramount importance to any country to safeguard food-security, sustainability of agriculture/horticulture production, protecting livelihood of people and facilitate safe trade. Realizing the importance of plant biosecurity, NIPHM launched MOOCs in Plant Biosecurity in 2019 and successfully completed 10 batches. In order to increase the reach out and cover large number of candidates, NIPHM proposed to organize **11<sup>th</sup> batch** in the month of April, 2024.

#### Objectives:

The objective of the course is to create awareness about plant biosecurity, plant quarantine system, to combat invasive plant pest threats, to enhance technical capabilities and human capacity building to meet such threats and to enhance Sanitary and Phytosanitary compliance.

#### Salient features of the course:

- As an online course in an user-friendly manner under MOOCs platform
- Comprehensive coverage to cater the sectorial needs
- Availability of reading material for each subject covered under the course
- Comprehensive assessment of the candidates
- A certificate (on successful completion) from NIPHM

#### Eligibility criteria

- Graduate in any stream (provisional or degree certificate has to be uploaded in support of claim) / pursuing final year in graduation in any stream (bonafide study certificate issued by Head of the Institution / College has to be uploaded in support of claim)
- The degree must be from a recognized Indian university
- The degree must be from any Indian University incorporated by an Act of Central or State Legislature in India or other educational Institution established by an Act of Parliament or declared to be deemed University under section 3 of the University Grants Commission Act, 1956.
- In case the qualification of a candidate is from a foreign university, it must be recognized by Government of India, as equivalent to a degree offered in India.
